Fund a Need

Can you imagine leaving everything you own behind to escape domestic violence? Every day, the YWCA Pierce County provides life-saving services to survivors of domestic violence and their children throughout Pierce County who have done just this. When our families flee dangerous domestic situations they often arrive at our door with only the clothes on their back and no safe place to go. The YWCA is unique in that we provide comprehensive services to meet our clients many needs including Safe Shelter for men, women, children and their pets; housing assistance and support; therapeutic groups for children who have lived in violent homes; support groups for adult survivors; and legal support and assistance including free legal representation from our staff attorney.

Many of these services can only be accessed at the YWCA. When our clients leave their abuser and come to the YWCA Pierce County, they are taking the first step to break the cycle of domestic violence. **The next step belongs to you.** When you raise your paddle, you are not simply making a monetary donation, but providing a network of support to a survivor of domestic violence. Every dollar that you give helps our clients move forward in living their dream.

24

Dessert Dash

Get ready for a sugar rush! You and the guests at your table decide which delectable dessert to split after dinner. **Write your bids on your table's Dessert Dash bid card.** Our volunteers will collect the cards and add up donations. Whichever table raises the largest amount of money will get to dash first! Don't forget to assign the fastest person at your table to be your runner!

When auctioneer Laura announces that it is time for the dash, she will start with the table that has recorded the largest donations. Your table's runner will bolt to the confections to grab the chosen dessert. Quickly, Laura will announce the next highest table, until they are all called. This is an awesome opportunity to support the YWCA Pierce County and get your fill of a delicious treat!

Thank you to our generous dessert donors!
